

HOW TO ACCESS THE CARPARK DURING THE RECONSTRUCTION

At deck level, the car park directly in front of Sainsbury's will be closed to the public but it will still be convenient to park and shop as there is plenty of parking available adjacent to Sainsbury's on the deck level and directly under Sainsbury's on the lower level.

Access to the new temporary car park underneath Sainsbury's

- ➡ Turn off Yeoman's Road onto Hamblin Way.
- ➡ Bear left into the entrance adjacent to Sainsbury's.
- ➡ Following directional arrows on site.

Access to lower ground level parking Sainsbury's end from the Cooper Dean Roundabout

- ➡ Go straight across the first set of traffic lights.
- ➡ Turn right onto Yeoman's Road and right again on Hamblin Way.
